BEFORE THE ARIZONA CORPORATION COMMISSION

IN THE MATTER OF THE APPLICATION
OF GOLD CANYON SEWER COMPANY,
AN ARIZONA CORPORATION, FOR A
DETERMINATION OF THE FAIR VALUE
OF ITS UTILITY PLANT AND PROPERTY
AND FOR INCREASES IN ITS RATES
AND CHARGES FOR UTILITY SERVICE
BASED THEREON.

DOCKET NO: SW-02519A-06-0015

**STIPULATED REQUEST TO SET
BRIEFING SCHEDULE**

Gold Canyon Sewer Company has conferred with Staff, RUCO and Cal-Am Properties regarding a post-hearing briefing schedule in this docket. The Company contacted these parties to express its concern over the financial harm that could result from delaying a final decision in order to schedule additional hearings days in this matter and to seek their assistance in avoiding dispute over extension of the applicable time clock. After consultation, the Company, Staff, RUCO and Cal-Am reached agreement on a briefing schedule that they believe would allow the Commission to issue its decision in this case without further extension of the time clock.¹ It is clearly recognized that such briefing schedule requires approval of Assistant Chief Administrative Law Judge, who is presiding over this matter, and that such schedule is subject to his schedule and availability.

¹ Assuming hearings are completed on December 5, 2006, as contemplated, the Company believes that a Commission decision should be issued in this docket on or before March 29, 2006 pursuant to AAC R14-2-103.

1 After consultation and consideration of all relevant factors, GCSC, Staff, RUCO
2 and Cal-Am have agreed to and propose the following briefing schedule in this case:

3 Closing Briefs
4 Reply Briefs

December 20, 2006
January 11, 2007

5 Such schedule is contingent on the hearings being completed as currently contemplated
6 on December 5, 2006, and on the Company's assurance that all transcripts will be
7 available no later than December 11, 2006.

8 Based on the foregoing, the parties to this stipulation request that a procedural
9 order approving the agreed upon briefing schedule be issued. Issuance of such an order
10 at this time will allow for advance planning by all concerned, including allowing the
11 Company to make the necessary arrangements for transcripts from the December 4-5,
12 2006 hearing dates to be expedited.
